ONE LAST DANCE FOR FLAG HOPEFULS

REPORT BY "Jeremy Binlayson"

And just like that, the Yorke Peninsula Football League 2022 season is all but over.

Just two teams remain after an extraordinary day of preliminary finals action at Ardrossan on Saturday, September 10. The A grade was an absolute cracker as both CMS Crows and Central Yorke Cougars slogged it out right to the final siren, when scores were dead level. I can't remember the last time a final ended in a draw so it was awesome to see them battle it out in extra time, when Crows pulled away to escape an upset.

GRAND FINALS TIPS

A GRADE

Moonta v CMS Crows

Yet again, the two most dominant sides all year will meet in the big dance. Nothing, I mean literally nothing can split these two. Moonta advanced straight through when they met in the semifinal a couple weeks ago, but if Crows bring the same intensity as on Saturday they could go back-to-back. I expect this one will be won in the midfield battle, where a desperate Dylan Mansell owned the contest for Moonta when they last met. With support from Matt Appleton and Ryley Maitland in the engine room, the Demons will be tough to overcome. But Crows may boast the deeper side on paper. A young, yet resilient backline stood up again on the weekend, while forwards Ben Edwards, Adam Jolly and Angus Glazbrook have been gobbling whatever comes their way. If they can get another scoreboard contribution from their midfielders, I anticipate the Crows' precise skills and running capacity could get the job done... just.

At the final siren... CMS Crows by a point.

B GRADE

Kadina v Southern Eagles

To no surprise, the Eagles cruised past a competitive Crows outfit to again meet Kadina in the grand final. The Bloods will regain few

players thanks to its A grade bombing out of contention, but it looms as another evenly-matched contest. I expect Eagles to continue feeding their tall timber, including Michael Beelitz, down the line, where Kadina was extremely resolute to hold up. Onballers Matt Drewer and Andrew Daniell will likely bring some tough tackling pressure again and force a hot football. But the fleet-footed Bloods, led by Mail Medal duo Isaac Glasgow and Josh Lawson, should match the pressure inside. Although it may come down to the very end, I think Kadina will pull home thanks to some extra class and younger legs.

At the final siren... Kadina by two goals.

SENIOR COLTS

Wallaroo v Central Yorke Cougars

Clearly the two best all year, Cougars will face the powerhouse Wallaroo in a much-anticipated spectacle. By bringing somewhere near their best, the Bulldogs should have no issues in coming home with the flag. But gun Cougars Flynn Briggs and Kane Elliott-Karpany will no doubt pile some pressure on early. Coming off its 10-goal thumping over Moonta a few weeks ago, Wallaroo will take in plenty of belief in its style. With guns on every line, including Dylan Niotis down back and Blake Miller in the front half, the Dogs should get the job done if they hold their nerve.

At the final siren... Wallaroo by six goals.

JUNIOR COLTS

Wallaroo v Central Yorke Cougars

Like their senior colt mates, both the Dogs and Cougars will square off on the biggest stage. Also coming off a massive win against Moonta, Wallaroo will bring all the momentum into this one. These young Dogs have a great appetite for the contest which is awesome to watch. Farren Finn and Hunter Wellgreen have been booting goals with their eyes closed in recent weeks. Blake Elliott-Karpany, Charlie Kakoschke and George Butler will put some heat on without a doubt, but I don't expect it'll be anything the Dogs can't withstand.

At the final siren... Wallaroo by five goals.

YPFL decides on Team of the Year

REPORT BY:
Fin Hansen

Yorke Peninsula
Country Times

For the first time in several seasons, Yorke Peninsula Football League has selected a 2022 Team of the Year.

The YPFL executive committee selected the team with help from this year's Nutrien Ag Solutions Cup A grade selection panel.

Moonta has led all clubs with six selections, while CMS Crows, Central Yorke Cougars and Kadina each feature four players.

The side has an extended five-man bench, with the coach set to be named after Saturday's grand final.

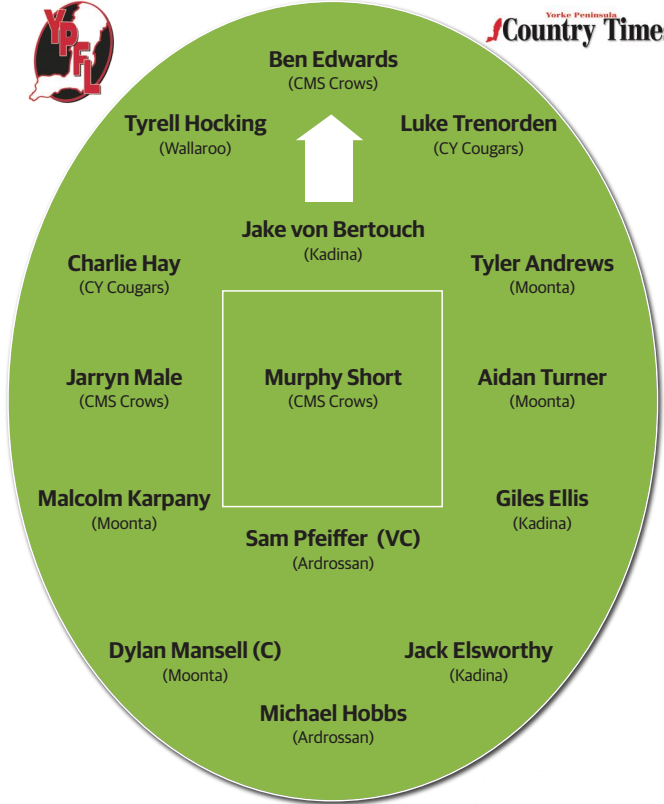

Selector Adam Pitt said the team was picked with the main focus being the best possible YPFL side.

"The panel looked at games played, best players and goals scored to help form the best possible team," he said.

"Wins were taken into account, but there were also players included from non-dominant sides who had a big effect on their teams.

"When we all came together with our best teams, they were all very similar.

"Unfortunately, there were lots of great players who missed out but those selected certainly deserved their spots."

RUCK:

- Kieran Yakas** (Moonta)
- Nathan Allen** (Southern Eagles)
- Zac Bates** (CY Cougars)

NETBALL - GRAND FINALS

A GRAND DAY FOR

FINALS TEAMS

REPORT BY **"First Aid Kit"**

It seems like just yesterday our netball season was starting and now our teams are lining up for the 2022 grand finals. How time flies!

Congratulations to every team who made it to the grand final and remember to soak it all in.

Premierships don't grow on trees, so make the most of your opportunities.

But, just to be contradictory and slightly annoying, have fun — you're out playing sport with your mates in (hopefully) some delightful weather.

We've seen all but one of these match-ups this finals series, which is very exciting, and fascinating and I wish I had more space to unpack that.

Best of luck to everyone.

A GRADE - CMS Crows v CY Cougars

Redemption is a bit of a theme this finals series, with the Cougars looking to get back at the Crows for last year's loss. These sides are incredibly evenly matched. Crows have been a step ahead every side this year, bar their one loss to Kadina, but on paper, they line up quite well. While Cougars have lost each time they've played this season, all it takes is a small little nugget of belief. Expect to see association best and fairest Alix Hillebrand doing what she does best while Crows' engine room will be firing on all cylinders. We've come too far now for me to go back on my initial tips, so I'm sticking to my guns.

At the final whistle... Crows by one goal.

B GRADE - CMS Crows v CY Cougars

Crows had a comfortable win against Cougars in their semifinal. The match was tight early and I expect it to be again this week. Crows are formidable across all areas of the court, and accurate shooting from Jess Farrow and Erin Cock will help their side. However, Sadie Polkinghorne and Alanna Barrand made the Crows work for every goal two weeks ago, and along with the rest of their team, will do so again. It's going to be a much closer result than the last match-up I think.

At the final whistle... Crows by five goals.

C GRADE - CMS Crows v Kadina

I've said it once, and I'll say it again. There's something about those Crows. Could this match-up extend into overtime again? Kadina was too strong for Moonta last week. Both these teams are well drilled, with Carolyn Jansons for Crows and Karm Kleinig for Kadina running tight ships. Both

sides have the ability to make some changes if needed, with players able to shift into different roles to meet any needs. Kadina won't want a repeat of the semifinal, but Crows will be looking to make it a clean sweep.

At the final whistle... Crows by 10 goals.

D GRADE - Wallaroo v Bute

Congratulations to Bute's D grade for earning the opportunity to play in a home grand final. Don't discount the impact this will have on Bute's girls — they'll have the knowledge of the court, and the supporters behind them. These sides have been close all year and both will be hungry for some seniors silverware — something that has been rare for both clubs in recent years.

At the final whistle... Bute by two goals.

E GRADE - Moonta v CY Cougars

We've talked about Crows' ascendancy in the seniors, now here we have Moonta. Moonta has been undefeated this season, it boasts an incredibly strong defence and an accurate shooting combo. Cougars shooters though, especially Summer Davies, shouldn't be discounted. Cougars came from six down at quarter time to be up by eight against Kadina. That's an incredible turnaround and testament to the belief these girls have in themselves. Can they pull off an upset?

At the final whistle... Moonta by 12 goals.

F GRADE - Moonta v Ardrossan

The top two sides meet again for one more clash. Ardrossan used its home ground advantage well last week to topple Kadina. They led from the get go but instead of taking the foot off Shayla Brind and Amelia Cornell pushed Ardrossan to a sensational win. Moonta just has the edge in wins and losses, but the semifinal margin was only four goals. I expect this to be close again.

At the final whistle... Moonta by two goals.

G GRADE - Moonta v CY Cougars

Yes, Moonta has been essentially untouchable this season. But, the grand final is a totally different day. Cougars were strong against Crows and the match was close, until the end. There is no denying Moonta is an exceptionally talented team and it's essentially expected they will win this one by quite a way. Only the players will be able to change that. Regardless of the result, we've got some actual junior stars in this match.

At the final whistle... Moonta by 25 goals.
